## PRESIDENT'S MESSAGE

On behalf of the Management Committee of the West Adelaide (Hellas) Soccer Club, I extend a warm welcome to our members, our club supporters and generally fans of soccer, to our first home game of the Philips League season.

The Philips League has begun its third season. Two very successful seasons have passed particularly for soccer in South Australia and especially for our Club. This year must be the year of consolidation.

The formation of the League has advanced soccer in Australia by leaps and bounds, but we must not forget; "There is a long way to go."

For a successful competition, strong clubs which can produce strong teams are required.

To retain the present supporters and further increase attendances teams must produce attractive soccer of high standard. A professional approach to the game is essential.

For attendances to increase further, the local teams must also continue to be successful.

The West Adelaide Soccer Club won the Championship in 1978, by playing attacking soccer and promises to continue again this year. 1978 was the most successful season the club has seen, and this was achieved because the whole club worked as one unit. A similar effort is required again this year to equal or surpass last year's achievement.

South Australia engraved its name on the Soccer Map of Australia last year through the support and encouragement by the soccer supporters in this state. As a result more games will be televised from Adelaide this year than any other city in Australia.

This support must be increased, and our Club will certainly play its part for the further advancement of the game. However, the best result will be achieved when all the clubs co-operate

and work together by exchanging ideas and use their strength in promotion of the game.

TO OUR MEMBERS MY MESSAGE IS THIS:-

Support your club in every way you can.

Pay your membership promptly.

Introduce a new good member to the club.

Take interest in what your club is doing and support all the club functions.

Constructive criticism is welcomed at all times, however, destructive criticism must not be tolerated by any member.

Destructive elements must be eliminated.

Show pride in your club because after all, you are a member of the Champion Club in Australia.

## OUR SPONSORS

The Management of our Club, extends a warm welcome to all our supporters, friends and indeed all supporters of our game to Hindmarsh Stadium today, our first home game of the season.

The 1979 season is a very important one for the league and marks the end of an era of establishment. Clubs this year must consolidate and demonstrate that they are able to continue at this rigorous yet challenging level.

The concept of a Philips Soccer League would not have been possible without the support and Sponsorship provided by many.

Our club wishes to extend our sincere thanks to all sponsors associated with the League in general and our Club in particular.

Firstly PHILIPS INDUSTRIES whose contribution made the league a reality.

T.A.A. - Australias leading airline, who has managed to keep to the costs of travelling within reach of the clubs.

UMBRO INTERNATIONAL who have donated prize monies, strips and equipment to all clubs.

DUNLOP AUSTRALIA suppliers of soccer boots and travel bags to all teams.

W.D. & H.O. WILLS who have sponsored both Adelaide P.S.L. Clubs by way of The Escort Cup competition.

COCA-COLA BOTTLERS sponsors of the World Youth Competition.

CON'S FINE FOODS who have donated track suits to our team. On the local scene, we wish to thank all business houses who have advertised in the past and continue to do so.

We also wish to thank all supporters, too numerous to mention, who contribute financially and morally towards the success of our Club.

This year promises to be another successful season. As reigning CHAMPIONS together with increased T.V. coverage proposed, we feel confident that major sponsorship will be found.

## WELCOME NEWCASTLE K.B. UNITED

Our visitors today, at Hindmarsh, for the opening home game of the 1979 season, flying the Northern New South Wales banner are Newcastle K.B. United.

Newcastle were admitted into the League in 1978 and are considered to be one of the success stories of the Philips League.

The administration, headed by the President Harley Dixon, Secretary, Paul Trisley and Treasurer, Richard Puxty is first class and combined with the Sponsorship of Tooth's Breweries and the support of the entire city of Newcastle, this club is destined to becomes a major force in Australian Soccer.

The team is managed by former New Zealand National team Coach, Alan Vest.

The Player to watch is, last year's Player of the Year, Kenny Boden (No. 9) who, in his first year has established himself as one of the leading strikers in the game, topping last year's goal-scoring list with fourteen goals.

New signings this year are, Ian Seddon, (No. 8) aged 27, 64 appearances with Bolton Wanderers, Chester, Chesterfield, Stockport County and Cambridge United. An experienced player who should prove to be a valuable aquisition.

Graham Heys, (No. 10) aged 22, signed from non-league club Altringham, reported to be very fast, a former England Youth International at both Amateur and English schools level.

David Jones, (No. 11) aged 24, from Macclesfield Town in the Northern Premier League, English Youth International 1972/73. David played in the Victorian State League in 1976.

At home K.B. United is one of the League's top crowd pullers and have always proven to be great competitors. Past results between our two teams have been very close. Today's game should be no exception.

A word of warning however, WEST ADELAIDE ARE the current P.S.L. CHAMPIONS and have every intention of remaining so.

West Adelaide welcomes K.B. United to our city and hopes their stay will be an enjoyable one. It is our wish to return the tremendous hospitality extended to us during our last visit to Newcastle, however, with one exception, we do not give away goals. That particular day, K.B. scored the only goal to give US a 1-0 victory.

D.A. CARAPETIS  
Secretary W.A.S.C.

## PORTRAITS

### NEIL McGACHEY IS ON THE BALL

Neil McGachey, Drafting Officer, in the Engineering and Water Supply Department has really been making a name for himself in the world of soccer, so much so that he was recently selected as one of the 12 finalists in the Caltex - News Sports Star of the year Award.

Neil came to Australia from Scotland in 1964 at the age of eleven. He joined the Engineering and Water Supply Department in November, 1970 and has been working as a Drafting Officer in the Design Branch and lately in the Water Resources Branch of that Department.

Neil McGACHEY (Captain)

At school Neil played both Australian Rules and soccer but at fourteen years of age he joined the Hellas Soccer Club playing his first senior game at fifteen. Since that time he has played over 400 games for Hellas and West Adelaide as the Club is now known. He has captained the side for the last three seasons and last year took them to the top of the National Phillips League making West Adelaide the champion soccer side in Australia for 1978. For his own efforts in 1978 Neil won the Golden Boots Award as the South Australian Player of the Year and the State Press Association Award. He was runner up in the Australian Player of the Year Award, missing out by a single point.
